

CRAFT KITS FROM THE  
PROVIDENCE ATHENÆUM'S CHILDREN'S LIBRARY

# A SIMPLE SILLY SPIDER!

*What a dilemma: we have a web without a spider and a spider without a web! Make this silly spider and place it on your web craft to make a simply spooky and silly Halloween decoration.*

## Supplies in kit

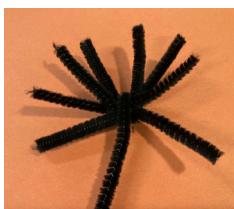

- 4 short pieces of pipe cleaner
- 2 long pieces of pipe cleaner
- 2 each black and white sticky dots

## What you'll need from home

- 1 spider web (see accompanying craft in the kit!)

## Directions

1. Bend the four short pipe cleaners in half. Next, bring them together and wrap the first pipe cleaner around the middle of all the folded pipe cleaners. Pinch as you wrap to keep it attached.

2. Add the other long pipe cleaner to the first, pinching and wrapping that one as well. This will be the body of the spider.

3. Gently bend the spider's legs as pictured. Finally, stick on the googly eyes. If you have already made the web, you can add your silly little spider to it. If not, now's the time!
