

CRAFT KITS FROM THE PROVIDENCE ATHENÆUM'S CHILDREN'S LIBRARY

HAPPY APPLE!

This Happy Apple craft will be a cheerful decoration for the autumn holiday season!

Supplies in kit

- 1 small paper bag
- poly fiber fill
- 1 piece of string
- 2 leaves
- 2 each white and black sticky dots
- 1 happy smile

What you'll need from home

- liquid school glue
- watercolor paints
- paint brush
- scissors

Directions

1. Open the little bag, and stuff it with the fiber fill.

2. Gather the bag above the fiber fill and twist as tight as you can. Tie it with the piece of string as pictured. This makes the stem! Trim the remaining string.

3. Now paint the apple and the stem. This apple is painted red, but not all apples are red! Some are green or even yellow. What color would you like your apple to be? Set your apple aside to dry before adding the finishing details.

4. When the apple's paint is dry, it's time to add its happy face and green leaves!
