What you'll need from home

- 1 marker
- sticky tape

Directions

1. Begin by drawing on the details to make the cat look just the way you imagine.

2. Next tape one end of the yarn to the back of the cat and begin to wrap it around the cat's body as pictured.

3. When you are at the end your yarn, turn the cat over and tuck up the end as pictured to keep the sweater from unraveling. Tuck in the cat's tail.

4. Gently bend the center flap up to make a prop. Next bend the paws as pictured so that your cat can stand up to show off its new sweater! Meow!
