# COZY SUNCATCHER MITTENS!

*These cheerful mittens will add some bright color to a wintery window!*

## Supplies in kit

- 1 pre-cut mitten template
- 1 sheet of waxed paper
- a selection of colored tissue
- 1 long piece of string

## What you'll need from home

- glue stick
- scissors
- hole puncher

## Directions

1. Begin by gluing the waxed paper to the inside of the mitten template as pictured.

2. Next, glue the colored tissue to the waxed paper. Stripes are pictured, but feel free to tear the tissue and layer it or cut out different shapes. Let your imagination lead the way! Trim any excess.

3. When you have finished gluing the tissue down, put glue on the top half of the mitten template and press to seal the two sides together.

4. Once the template is closed and sealed, punch two holes at the top and add the string. Your cozy mittens are ready to hang in your window and catch the sun!
