

CURBSIDE CRAFTS FROM THE  
PROVIDENCE ATHENÆUM'S CHILDREN'S LIBRARY

# A PROPER PENGUIN!

*This little bird looks all dressed up  
for a party!*

## Supplies in kit

- pre-cut penguin pieces
- googly eyes

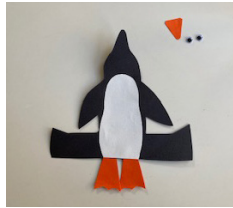

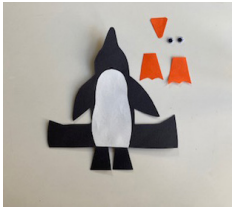

## What you'll need from home

- glue stick

## Directions

1. Glue on the penguin's tummy and feet.

2. Fold down the head and attach the beak and eyes.

3. Fold the feet up.

4. And finally, pull the tabs behind your penguin's back and glue them together like this:

5. Bend the flippers as you choose, and this little penguin is ready to join a party at the south pole!
