# DANDY LION!

*This little lion with the messy mane  
is roaring in with the March wind!*

## Supplies in kit

- 1 paper plate
- 1 lion head template
- 1 cluster of paper “fur”
- 2 each white and black sticker dots
- 1 Yarn string

## What you'll need from home

- color markers, crayons or, pencils
- liquid school glue or glue stick
- sticky tape

## Directions

1. Cut out the lion head, color in the nose, and add the eyes.

2. Color the edge of the paper plate all around using any color you like. Add plenty of glue all the inside area of the paper plate. This is where you will place the messy mane! Arrange the paper “fur” on the glued plate and press down with your hand when the plate is full. This will keep the mane from falling off.

3. Add plenty of glue to the back of the lions head, and press it firmly onto the mane.

4. Tape the yarn to the back of the plate and this little Lion is ready to show off his snazzy mane!
