

CRAFT KITS FROM THE PROVIDENCE ATHENÆUM'S CHILDREN'S LIBRARY SUNNY-SIDE-UP PICTURE FRAME!

A fun sunny picture frame is the perfect gift for someone special!

Supplies in kit

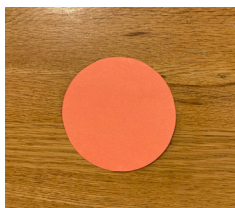

- 2 pre-drawn circles (1 yellow and 1 orange)
- 1 length of string

What you'll need from home

- a photograph or picture
- glue
- scissors
- markers, crayons, or colored pencils (optional)

Directions

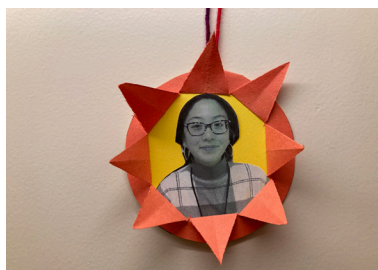

1. Select a picture to put in the frame. It can be of you, a pet, or any other image you choose. Cut out the orange and yellow circles.

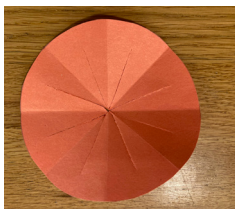

2. Fold the orange circle in half three times so it looks like a small pizza slice. Then draw a centered line from the tip of the point to a bit below the edge as pictured. Cut along the line making sure not to cut beyond it.

3. Open and flatten the circle. Carefully lift each point and fold it back as pictured.

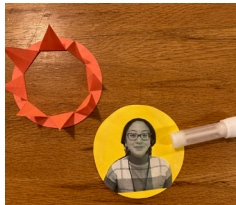

4. It's time to add the image to the other circle. In order for some yellow to be visible, be sure to trim your image before gluing it to the circle.

5. Add glue to the edge of the circle and press the sunny circle on top. Tape the string to the back of the frame and you have a wonderful picture to hang up and enjoy. Use your markers or crayons to add some fun details to make the frame even more fancy!
