

CRAFT KITS FROM THE
PROVIDENCE ATHENÆUM'S CHILDREN'S LIBRARY

NOODLE NECKLACES!

More than a Pre-K fashion statement, the noodle necklace is the classic learning experience that has it all - color sorting, patterning, counting, fine motor skill development, and more for the littlest crafters. They're even a ton of fun for older kids as well!

PLEASE NOTE: Adults should closely supervise ages 3-5 due to small pieces.

Supplies in kit

- Colored dry pasta noodles
- String with a masking tape “needle”

Directions

Using the masking tape “needle,” thread colored noodles onto your string. Hint: tie a large piece to the other end first to prevent noodles from slipping off! Play with patterns and colors, and tie together your creation and wear with pride!
