

CRAFT KITS FROM THE
PROVIDENCE ATHENÆUM'S CHILDREN'S LIBRARY

A SUPER SUMMER GLOBE!

*Create this cheerful decoration
with lots of bright summer colors!*

Supplies in kit

- 1 paper globe
- 1 pack of colored tissue paper pieces
- 1 length of string

What you'll need from home

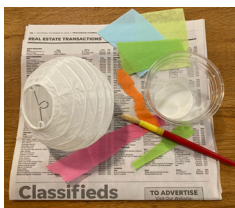

- scissors
- liquid school glue
- paint brush
- small mixing bowl or cup

Directions

1. Squeeze a small amount of liquid glue into your cup or small bowl. Add a few drops of water and stir it together to make the glue easier to "paint."

2. Tear or cut the tissue into pieces. Using a paint brush, paint the glue onto the paper globe and place the tissue paper on the glue, then paint more glue onto the tissue. Continue until you have covered as much of the globe as you like. By overlapping the colors you can make all kinds of new colors!

3. When you have finished, set the globe aside to dry. When it is dry, add the string and find a good spot to hang it for all to enjoy!
